

Curly Kids OOSH

Hello to all OOSH Parents/Guardians,

Term 3 has been a successful term with the children fully engaged, having fun and overall enjoying OOSH. This has been brought about by the tailored age-appropriate programs, children's voices being listened to and full staff involvement in the planning and running of the program.

The children are enjoying reading about themselves in the current 'Child reflection Diary' and from this, comes about our circular planning. The children are at the forefront of what we do, and we aim to implement and take onboard as many if not all their ideas.

As we are approaching Term 4, please can you contact Madeline our fabulous office administrator via email if you know your child will not be attending OOSH as of next year (2020) – this will help us prepare better for our new starts! Thanks in advance.

The Curly Kids OOSH team and I look forward to seeing you at our new and improved Vacation Care or otherwise back in Term 4 😊
