

# Curly Kids OOSH

Hello to all OOSH Parents/Guardians,

That's a rap for the year! What an amazing year it was 😊 Although it seemed to fly by, we have achieved plenty. The children have been engaged in new and improved programs to extend their enjoyment and learning with further enhancements to the structure, allowing for the children to enjoy age appropriate group activities. The children's voice was listened to and embedded into the programs and overall it has been a great success.

We have coped with the building work around us and will continue to be ready for the upcoming changes to our spacing, but please be reassured we are ready and have staff in place to meet the demands and keep the children safe and happy at a ratio of 1:10. Exciting times ahead for 2020 in which we will endeavour to keep you updated!

Term 4 was a term for giving. In the light of the devastating bush fires, we had a visit from our local fire station to educate our children & staff on fire safety, so we would like to thank again Dee Why Fire Station for taking the time to be with us.

Congratulations to Pippa Aitken the winner of our R2D2 Raffle. Thank you to all our families that helped us with fundraising for Bear Cottage and supporting our cake stall to raise funds for the affected Koalas.

Gillian Thompson, Coordinator

## Vacation Care – Summer Holidays

13<sup>th</sup> – 24<sup>th</sup> Jan 2020

\* What a successful fast filled program, a few spots only left on certain days otherwise full! \*
