

Curly Kids OOSH Casual Booking Instructions

KidsXap App

The screenshot shows the 'Attendance / Booking' screen in the KidsXap app. At the top, the time is 10:38 and the signal is 4G. Below the header, there are filters for 'All Children', 'Apr 2021', and 'All Sessions'. There are 'Reset Search' and 'Update Search' buttons. A menu lists options: 'Scheduled Booking', 'Add Casual Booking', 'Split Booking', 'Absent/Notified Absent', 'Permanent Booking', and 'Casual Booking'. Two booking entries are shown for 'Mali Whitaker' and 'Oscar Whitaker' on 'Mon, 19 Apr 2021'. Each entry shows a 'C' icon, a clock icon, and times '07:00' and '18:00'. The service is 'OSHC' and the room is 'Year 4 (2017K)' for Mali and 'Year 5 (2016K)' for Oscar. An annotation box with the text 'In Attendance/Booking touch the + sign' has an arrow pointing to a green circular button with a white plus sign at the bottom right of the screen.
