Information

Standard of Care

Curly Kids OOSH Vacation Care operates in accordance with the requirements set forth by the Australian Children's Education & Care Quality Authority (ACECQA) including the National Quality Framework (NQF) and the framework for school age care in Australia, My Time Our Place (MTOp).

General Information

The vacation programme is split into a Kindy, Junior (1-2) programme and a Senior (3-6) programme. These are the school years the child will be in 2024. Each programme will have a capacity of up to 45 children. The incursions and excursions have been planned to be age appropriate for each program. We do understand that you may want an older sibling to attend a junior program with your child, this may be possible depending on the activity of the day.

Vacation Care is for children up to 12 years old attending Curl Curl North public primary school only.

Children must have completed their first term of school to attend Vacation Care unless they are attending our January program just prior to their first term in Kindy.

Staff are employed from 7:00am to 6:00pm and children are to be signed in and out by a parent/guardian between these times.

Children will only be allowed to leave the Centre accompanied by an adult nominated in your Xap registration. Notice in writing is required if the child is to be collected by anyone not nominated in your Xap registration.

Prescription medication can only be administered by staff with written permission from parents/guardians and be in the original packaging. Non-prescription medication is not permitted at Vacation Care. See centre staff for further details.

PG rated movies may be shown at the centre, please see staff if you have any concerns about this.

Every effort is made to provide the activities exactly as advertised in this brochure, however sometimes, due to circumstances out of our control, this is not possible. If an activity is cancelled, we will try to provide another activity and inform families as early as possible, usually on the morning of the scheduled activity via signage at the centre.

Centre rules are established for the safety and well-being of all children. Consistent disregard of rules may result in exclusion from the program following consultation with staff and Parents/Guardians.

What to Bring

Children need to bring a hat, lunch, snacks and a refillable drink bottle. We suggest you pack a frozen ice brick with your child's lunch to help prevent the growth of bacteria and keep it cool until lunch time. Cooking activities may be part of the day's programme, but they are not meal substitutes.

Children should not bring any toys (including mobile phones and MP3 players) or expensive jewellery to Vacation Care as they may be lost.

Curly Kids OOSH will not be responsible for lost valuable items.

What to Wear

Please clearly label all items!

Parents – please apply sunscreen to your child every day before dropping them to Vacation Care. Sunscreen will be available at the centre for children to reapply throughout the day.

Clothing should be practical and sun smart. Singlet tops are not appropriate as exposed shoulders are prone to sunburn.

Please note that centres often do messy activities so be prepared for dirty clothes at the end of the day. The Centre does provide protective shirts for arts and crafts but will not force a child to wear them.

Food

Help us be allergy friendly. Many children have allergies to various foods.

Nut allergies are especially common.

Please help us by not providing any nuts or nut products (including peanut butter and hazelnut spread) in your children's lunches and snacks.

Hours of Operation

The program runs from 7.00am to 6.00pm each day.

In Centre Days

Activities vary throughout the day and allow for sessions of high and low activities.

Incursions scheduled for certain days will usually run for a one-to-two-hour period. The remainder of the day will include activities organised by the Centre staff. Each day will have a theme that will be incorporated into some of the activities during the programme for the day.

Excursion Days

On excursion days, all children booked in must attend the excursion. Children and staff will travel by charter bus to each excursion venue. The bus will usually leave the centre at 9.30am and return to the centre by 4.00pm.

Please ensure children are dropped off by 9.00am on excursion days.

There will be up to 40 children attending each excursion, with at least one educator for every eight children.

A risk assessment with more details about each excursion can be viewed on the Curly Kids OOSH website.

Information on time of departure for excursions, special requirements for the day, or late changes to the program, are displayed at the centre or are available by phoning the centre during opening hours.

Parents/guardians are responsible for ensuring they have all information required. Children will not be permitted to purchase food on excursions, please do not send money with your child to Vacation Care.

Fees & Payments

The daily fee is \$75 per child per day for an excursion day and \$70 for an incursion day.

Children who are collected after 6.00pm will incur a Late Pick Up Fee of \$10.00 per five minutes late or part thereof.

There is a strict 2-week cancellation policy once your booking has been processed unless a medical certificate is supplied for the day/s missed within one week of the missed day/s.

Child Care Subsidy (CCS)

If you wish to claim Child Care Subsidy (CCS) you will need to complete an online Child Care Subsidy assessment using your Centrelink online account through my.gov.au.

You will also need to provide us with the date of birth of the parent /guardian claiming the CCS, the date of birth of the child being enrolled and the Family Assistance Office Customer Reference Number (CRN) for both the parent/guardian and the child.

Once your booking has been entered into our system you will receive an email from MyGov asking you to confirm your enrolment. You will then need to login to your MyGov account and confirm your enrolment/s for our Vacation Care service/s. CCS will then be applied to the fee charged for your booking.

We will charge you the gap between our daily fee and your CCS entitlement.

Centrelink will withhold 5% of all subsidy payments which is reconciled with families at the end of the financial year.

If you have any questions with regard to your eligibility for Child Care Subsidy please call the Family Assistance Office on 13 61 50.

Children with Additional Needs

Curly Kids OOSH Vacation Care Programs are additional needs and disability friendly. However, before enrolment we do require detailed information about your child's individual needs. If your child has high support needs, additional support may need to be accessed via the Federal Government's Inclusion Support Subsidy (ISS).

The application process can take some time as we consult with schools and complete an assessment to determine how to best meet your child's needs at Vacation Care. Contact the director on 0421 337 836 as early as possible to ensure that your child can access all aspects of the program.

Immunisation

Children who are not immunised will be excluded for the duration of an outbreak of an immunisation preventable disease.

Sickness

If your child is exhibiting cold or flu like symptoms, has vomited or had diarrhoea in the past 48 hours they will not be permitted to attend. If there is an outbreak of disease during the period of vacation care which results in us being unable to attend an excursion you will only be charged an incursion fee.
