Information

Standard of Care

Curly Kids OOSH Vacation Care operates in accordance with the requirements set forth by the Australian Children's Education & Care Quality Authority (ACECQA) including the National Quality Framework (NQF) and the framework for school age care in Australia, My Time Our Place (MTOF).

General Information

The vacation program is split into a Junior (K-2) program and a Senior (3-6) program. Each program will have a capacity of 40 children. The incursions and excursions have been planned to be age appropriate for each program. We do understand that you may want an older sibling to attend a junior program with your child, please request this on your online application. NOTE: The children in the Junior and Senior program will spend time together at both the beginning and end of each day.

Vacation Care is for children up to 12 years old attending a NSW public primary school.

Children must have completed their first term of school to attend Vacation Care unless they are attending our January program just prior to their first term in Kindy.

Staff are employed from 7:00am to 6:00pm and children are to be signed in and out by a parent/guardian between these times.

Children will only be allowed to leave the Centre accompanied by an adult nominated in your KidsXap registration. Notice in writing is required if the child is to be collected by anyone not nominated in your KidsXap registration.

Prescription medication can only be administered by staff with written permission from parents/guardians and be in the original packaging. Non-prescription medication is not permitted at Vacation Care. See centre staff for further details.

PG rated movies may be shown at the centre, please see staff if you have any concerns about this.

Every effort is made to provide the activities exactly as advertised in this brochure, however sometimes, due to circumstances out of our control, this is not possible. If an activity is cancelled, we will try to provide another activity and inform families as early as possible, usually on the morning of the scheduled activity via signage at the centre.

Centre rules are established for the safety and well-being of all children. Consistent disregard of rules may result in exclusion from the program following consultation with staff and Parents/Guardians.

What to Bring

Children need to bring a hat, lunch, snacks and a refillable drink bottle. We suggest you pack a frozen ice brick with your child's lunch to help prevent the growth of bacteria and keep it cool until lunch time. Cooking activities may be part of the day's program but they are not meal substitutes.

Children should not bring any toys (including mobile phones and MP3 players) or expensive jewellery to Vacation Care as they may be lost.

Curly Kids OOSH will not be responsible for lost valuable items.

What to Wear

Please clearly label all items!

Parents – please apply sunscreen to your child every day before dropping them to Vacation Care. Sunscreen will be available at the centre for children to reapply throughout the day.

Clothing should be practical and sun smart. Singlet tops are not appropriate as exposed shoulders are prone to sunburn.

Please note that centres often do messy activities so be prepared for dirty clothes at the end of the day!! The Centre does not provide protective shirts for arts and crafts.

Food

Help us be allergy friendly! Many children have allergies to various foods.

Nut allergies are especially common.

Please help us by not providing any nuts or nut products (including peanut butter and hazelnut spread) in your children's lunches and snacks.

Hours of Operation

The program runs from 7.00am to 6.00pm each day.

In Centre Days

Activities vary throughout the day and allow for sessions of high and low activities.

Incursions scheduled for certain days will usually run for a one to two hour period. The remainder of the day will include activities organised by the Centre staff. Each day will have a theme that will be incorporated into some of the activities during the program for the day.

Fees & Payments

The daily fee is \$70 per child per day.

Children who are collected after 6.00pm will incur a Late Pick Up Fee of \$10.00 per five minutes late or part thereof.

There is a strict 2 week cancellation policy once your booking has been processed unless a medical certificate is supplied for the day/s missed within one week of the missed day/s.

Child Care Subsidy (CCS)

If you wish to claim Child Care Subsidy (CCS) you will need to complete an online Child Care Subsidy assessment using your Centrelink online account through my.gov.au.

You will also need to provide us with the date of birth of the parent /guardian claiming the CCS, the date of birth of the child being enrolled and the Family Assistance Office Customer Reference Number (CRN) for both the parent/guardian and the child.

Once your booking has been entered into our system you will receive an email from MyGov asking you to confirm your enrolment. You will then need to login to your MyGov account and confirm your enrolment/s for our Vacation Care service/s. CCS will then be applied to the fee charged for your booking.

We will charge you the gap between our daily fee and your CCS entitlement.

Centrelink will withhold 5% of all subsidy payments which is reconciled with families at the end of the financial year.

If you have any questions with regard to your eligibility for Child Care Subsidy please call the Family Assistance Office on 13 61 50.

Children with Additional Needs

Curly Kids OOSH Vacation Care Programs are additional needs and disability friendly. However, before enrolment we do require detailed information about your child's individual needs. If your child has high support needs, additional support may need to be accessed via the Federal Government's Inclusion Support Subsidy (ISS).

The application process can take some time as we consult with schools and complete an assessment to determine how to best meet your child's needs at Vacation Care. Contact the Vacation Care Services Coordinator on

0421 337 836 as early as possible to ensure that your child can access all aspects of the program.

Immunisation

Children who are not immunised will be excluded for the duration of an outbreak of an immunisation preventable disease.
