

Curly Kids OOSH

Dear Parents and Curly Kids families,

Time has flown by and many of you may not be aware that I will be spending time with a 'New member', my little Baby Girl who is due in November!

I am on Maternity Leave from the 19th of October and have found the service a perfect fit, Andrew Hearne to cover the Director Role starting first week of Term 4.

Thank you Curly Kids OOSH students and staff for my "Pink" afternoon tea celebration, cards and Congratulations.

I would like to inform you this is not my 'Final Good Bye' and I'll be back 😊

All the best, Kylie Jermyn – Centre Director

Important Updates!

CHILDCARE REBATES

The transition phase for families over to the new Government Childcare Subsidy package is complete. From now on, applications for rebates will require a new claim for assessment, and those claims can only be backdated for a maximum of 28 days. An SMS will be sent this week to our families who still aren't receiving rebates should they wish to apply.

CWAs (Complying Written Arrangement)

A further area of government compliance has been introduced to childcare centres this term. CWAs are a signed agreement between a provider and a family to provide childcare in return for fees, and a copy must be held on your file. Printed CWAs are now available and our Management Team will be asking for signatures during your drop off & pick up times. Thank you in advance for your cooperation. We appreciate your understanding.

BANK FEES

Did you realise you can reduce your OOSH bank fees when paying for childcare? ...

Paying your fees in one lump sum each term in week 2-not fortnightly, from a bank account instead of a credit card, provides you with the cheapest option. Refer to your Parent Pack for the list of fees, or ask at our office for details.
